REMINDER: FORMAL STUDENT COMPLAINT RESOLUTION LOG (POLICY REQUIREMENT)
This is just a reminder about the complaint resolution log requirement. Written student complaints from currently enrolled students that do not have a formal or established appeal process, along with their resolution should be logged. This requirement is related to our research, teaching, and service mission. All units that receive and resolve student complaints are included. Contact Leslie Zenk, Assistant Provost, at lzenk@uncc.edu for questions.

SUBSTITUTION/WAIVER ACADEMIC PETITION TOOL
- The Substitution/Waiver Tool in the Academic Petition system became available on October 3, 2022.
- Graduation Services will continue to accept the Substitution/Waiver form – please submit these to graduation@uncc.edu.
- On Friday, October 30th, Graduation Services will send an email with the instructional guide and, to assist with the transition, the PDF version of the Substitution/Waiver form. But, we invite you to submit via the academic petition system.
- Please submit any feedback or issues using the substitution waiver tool to graduation@uncc.edu. This feedback will help us ensure both the tool and the instructional guide are addressing our needs, and identify a point in the future in which we may retire the PDF version.

SUB/WAIVER SUBMISSION
Number of undergraduate DegreeWorks audits, not equal to 98% or 100%, fall 2022 graduation applicants, as of 9/26/22. If you have substitutions or waivers to submit on behalf of your students, now is the time to submit. It is not recommended to wait until the end of term.

NAMED COLLEGE TRANSCRIPTS IN IMAGENOW (C7)
If you are a frequent user of ImageNow, reviewing college transcripts from other institutions, you probably know how frustrating it can be to find the transcript you’re looking for if the student attended more than one institution. In September, with the help of Undergraduate Admissions and OneIT, the sending institution’s name is now visible to aid in that research. Note: Transcripts received prior to our September go-live will not have this feature.
