

## Policies for UNC Charlotte Students Participating in the UNC Online Program

The following policies govern the participation of all UNC Charlotte students electing to participate in the UNC Online program. Please note: For all purposes, the **home institution** is the institution where the student is seeking a degree and from where the degree will be awarded. The **host institution** is the institution where the student will take the online course(s).

- Only degree seeking students can participate in the program.
- Students can only register for courses at another institution in courses that are not currently being offered at the **home institution**.
- Students must be approved by the **home institution** and the **host institution** to participate in the program.
- Students wishing to participate in the program during the summer must be registered at the **home institution** for the previous spring term and the upcoming fall semester.
- Students wishing to participate during the fall and spring term must be currently registered for courses during those terms at the **home institution**.
- Student is subject to the cost and fees at the **host institution**.
- Student is subject to the academic calendar, grading and transcript policies at the **host institution**.
- All courses offered through UNC Online are 100% online courses.
- Once the grading process is complete for the term, a transcript is expected by the **home institution** from the **host institution**. Transcript is submitted to the **home institution** based on the policy in place at the **host institution**.
- Credit for the course is awarded on the student's transcript as transfer credit from the **host institution** and does not calculate into the GPA.
