Discussions are underway to begin transitioning from SSB8 to SSB9. Lots of testing in our future. If you'd like to assist with testing, let us know (dtjoyce@uncc.edu). Tentative go-live in Fall 2019 (for Spring 2020).

CONFUSION EXPLAINED

Students can meet the *Critical Thinking and Communication requirement* (in the purple square) if they have transfer credit for two first-year writing courses. DegreeWorks will reflect this when the CTC attribute is applied to that student's second writing course. This does not, however, mean that the CTC attribute will "double count" as fulfillment of the *Critical Thinking and Communication option* (in the red square).

ARTICULATION AGREEMENT AND MOU REPOSITORY

The Office of the Registrar, after realizing a need, is developing a repository for all UNC Charlotte Articulation Agreements and Memorandum of Understandings. Different offices maintain these and there doesn't appear to be a centralized repository for which these can be referenced. We have collected a large number, but we're sure we don't have them all. When complete, we will share access with as many offices that wish. You can help. If you have copies of former or current agreements or memorandums housed within your department, please share (jreece15@uncc.edu). We hope this will become a resource for all.

SPRING FORUM (1ST BI-ANNUAL EVENT)

Join us for our first spring forum. This two-day forum (same content both days) is designed to provide you with information you can use. Most information will be related in some way to the Office of the Registrar, while information from other areas will also be shared. You pick the day that fits your schedule best. After both days, we will provide you with the presentation and comments/questions/answers from both days. As much as this forum is designed to convey information, it is more important that we address questions or concerns from you. Prior to the event, please share any topics of interest. Don't worry, we have our own topics too. This will become a fall and spring event going forward. We look forward to seeing you.

Mark your calendars for either **Wed, Feb. 27 @ 3pm** or **Thurs, Feb 28 @ 3pm**. Both days will take place in **Cone 112**.

JANUARY 31, 2019—DEADLINE FOR ALL COURSE AND CURRICULUM PROPOSALS TO BE LAUNCHED AND APPROVED BY ORIGINATOR VIA CURRICULOG.

Curriculum changes requested by this date will be included in the 2019-2020 Undergraduate or Graduate Catalog if they reach final approval by the published deadline date of approximately 5/1/19. The likelihood of reaching final approval in time for publication in the Catalog increases the earlier the proposal is started by the Originator.
