HAVE SUB/WAIVER, WILL TRAVEL (*OLD WESTERN REFERENCE*)

If you have substitutions or waivers to submit on behalf of your students, now is the time to submit. It is not recommended to wait until the end of the term. Please submit substitutions and waivers as soon after conversations with students, as possible.

IT'S HERE! PROOF OF ATTENDANCE (SPRING 2020)

All instructors will be required to enter the last date of attendance/participation for all students with failing (F) or unsatisfactory (U) grades. In support of the Office of Student Financial Aid and federal reporting needs, we have worked together to develop a means to collect a student's last day of attendance for F and U grades. The regulations require us to determine whether the student attended class and whether the grade was earned or a result of attendance.

SPRING FORUM

Thank you to those who attended the forums in February. If you missed our forum, you can view/download the presentation and notes at https://registrar.uncc.edu/sites/registrar.uncc.edu/files/media/Registrar%20Open%20Forum%20Spring%202020.pdf. Our next forum will be in the fall, sometime in late September. More details will be sent later.

REGISTRATION OVERRIDES

The Office of the Registrar is performing a review of registration overrides. We are interested in knowing more about which overrides you use, how they are being used, or suggestions on improving within your department. If you could take a few minutes and send an email explanation to jreece15@uncc.edu, we would be appreciative. We are contemplating changes, more options for spring 2021, but need to better understand your use of overrides. More information will be shared later.

KNOW ME

Since June 2019, the Know Me Task Force has been seeking to strengthen the personalization of faculty, staff, and student experiences at UNC Charlotte. Many improvements have been made and will continue to be made. If you're interested in keeping up with these changes or learning more, please visit https://registrar.uncc.edu/advising-resources/know-me-project. If you have ideas or suggestions for personalizing our experiences & interactions, please share (jreece15@uncc.edu).
