DEPARTMENT OF KINESIOLOGY (NAME CHANGE)

Effective fall 2021, the Department of Kinesiology has a new name. Henceforth, they are the Department of Applied Physiology, Health, and Clinical Services. Banner references to their new name have already been updated.

RESPONSIVE DASHBOARD - EARLY LOOK

Although not required, if you want to take an early look at the new Degree Audit to be officially launched in early Spring, you can visit https://degreeworks.uncc.edu/MyDashboard. If you do take a look, please share your feedback either to Jonathan Reece (jreece15@uncc.edu) or Jessica Miller (jcharper@uncc.edu). The expected launch is the week of February 15.

STUDENT TYPE DESCRIPTION/USAGE CHANGE

If you're familiar with Banner student types, the S code previously meant '*special non-degree seeking undergraduate'.* The S type is being reclassified as simply *'special non-degree seeking'* and is applicable to both graduate and undergraduate students.

DEPARTMENT CHAIRS AND/OR PROGRAM DIRECTORS

The Office of the Registrar sends course cleanup reports to Schedule Builders (*those in departments who input the schedule into Banner)* routinely for three months leading up to the scheduling deadline. During the last week, this report is sent daily. Please work with your schedule builder, supplying as much of the scheduling details, as possible, so that the information can be entered and checked for errors before Schedule Builders lose access.

COURSES NOT OFFERED IN 10 YEARS

At the Faculty Council's September meeting, the course status (rule #9) portion of the Course Numbering and Status Policy was updated with a sunset clause. "*A course that is not offered within a period of 10 years will be removed from the Catalog and inactivated."* We will reach out to provide two options before that action occurs. Departments will need to either 1) offer the course in year 10 or 2) petition your College's Associate Dean.

Initially, The Office of the Registrar will be identifying courses that are at or have exceeded the 10-year mark. If a department wishes to retain a course on that list, a petition will be needed. More information will be provided when that list is produced.
Note: This list will be sent to department chairs.

PASS/NO CREDIT DEADLINE EXTENSION

The Faculty Council, at its October meeting, approved an extension of the Pass/No Credit deadline. Previously, the student request deadline was the last day of drop/add. The deadline has now been extended until the withdrawal deadline. This change is effective Spring 2022.
Note: This is unrelated to the pandemic exception that expired in Summer 2021.
