PREREQS NOT MET - REGISTRATION DROP

On Monday morning (7/1), summer second half-term (H2) courses for which students did not have the prerequisite requirements were dropped. We will run registration error checking again after the summer second half term (H2) end-of-term process and prior to the Fall 2024 term.

<7 HOURS IN A SUMMER HALF TERM

We sent a warning email to students regarding an overload in registration for Summer 2024 second half term (H2). In an effort to provide students more time to submit Registration Hour Overload academic petitions, we will not drop any summer 2nd half term (H2) courses until after the drop/add deadline. This also ensures students cannot add their schedules back immediately after they are dropped. You may monitor students who are registered for greater than 7 hours using the Report Central Student - Catalog/Schedule report titled “Students with GT 7 hours in a Half Term with Petition Approvals”.
