ACADEMIC SUSPENSION TOOL APPROVER UPDATE DEADLINE

The Records team is requesting that all departments review their approver list and provide any updates by April 25, 2025 by 12:00pm (noon). If you have any updates, please send them to suspensionappeals@uncc.edu.

It is important that we receive any updates by this deadline, so that all appeals are linked with the appropriate approver. Our team will be limited to making changes while the appeal tool is open, to alleviate any missing appeals.

Below is the link to the current suspension appeal department contact list for your review.

“RECONSIDERATION BUTTON” DEMO

There is still time to catch a quick demo on how to use the “Reconsideration Button.” As we’ve shared before, the button will go live this spring. This will replace the manual process of either a student requesting a re-review or forwarding their denied academic suspension appeal to a second department for review. If you or your department is interested in an overview, please email the Records team at Records-group@charlotte.edu.

We also still have two more demos on the following dates for registration. If you would like to join, please use the link:

DegreeWorks Tip!

Make it a habit to refresh Banner data and DegreeWorks updates every time you pull a student's audit. Click the refresh icon just above the audit header and the Process button next to the *In-progress classes* and *Preregistered classes* checkboxes.
