>7 HOURS IN A SUMMER HALF TERM

We sent a warning email to students regarding an overload in registration for Summer 2025 second half term (H2). In an effort to provide students more time to submit Registration Hour Overload academic petitions, we will not drop any summer 2nd half term (H2) courses until after the drop/add deadline. This also ensures students cannot add their schedules back immediately after they are dropped. You may monitor students who are registered for greater than 7 hours by using the Report Central>Student, report titled "Students with Greater than 7 hours in a Half Term with Petition Approvals."
