- November 22:** Final Examinations for Saturday classes
- November 24:** Faculty Final web grading access available
- November 26 – November 29:** Thanksgiving Break – No Classes
- November 27 – November 28:** Thanksgiving Break – University Closed

Student Program Change (SPC) Timeline (New)

Starting Spring 2026, Charlotte will introduce a new timeline for student program changes (e.g. change of major, minor, catalog year, etc.). This new timeline is a necessary part of the University's ongoing [CPoS](#) implementation. To ensure accurate CPoS eligibility determinations for financial aid purposes, all student program changes must be submitted no later than five (5) business days before Census, as defined on the official Academic Calendar, for each regular semester (Fall and Spring). Program changes submitted after that deadline will still be processed; however, they will not be reflected in CPoS aid eligibility until the following term. The deadline to submit SPC's for Spring 2026 is **January 16, 2026**.

Process for General Ed. Exemptions for Out-of-State AA/AS Degrees (New)

Beginning in Spring 2026, UNC Charlotte will grant a general education exemption to both new and readmitted students who meet the following criteria:

- Degree Type: The student has earned an Associate in Arts (AA) or Associate in Science (AS) degree.
- Accreditation: The degree must be awarded by a regionally accredited institution in the United States. (International associate degrees are not included.)
- Verification: The degree must be officially conferred and documented on the student's final transcript.

This exemption applies only to students who enroll or are readmitted beginning Spring 2026 or later and does not apply to students who enrolled prior to this date.

Academic Forgiveness Applied Earlier (New)

Beginning in Spring 2026, Academic Forgiveness will be applied following the Last Day to Add/Drop. Previously, Academic Forgiveness was applied following Census. The earlier date was requested by the Advisor Leadership Council in support of CPoS.

Grade Replacement Update (New)

As of October 17, 2025, Charlotte has launched an all-new Grade Replacement tool! This upgraded system replaces our previous solution, offering students a better experience with updated technology. [See the updated Student User Guide and FAQs.](#)

UPDATE: Academic Calendar

Beginning with the Spring 2026 Academic Calendar, the date for "Student registration appointment times available on web" will be the business day after the final grading due date for the First-half term (H1). This allows student's earned credit to be applied after the end-of-term processing is complete, resulting in an accurate registration time ticket day and/or time.

Pursuant to this change, the "Student registration appointment times available on web" date, on the Spring 2026 Academic Calendar, has been updated to March 6th for Summer/Fall 2026 registration.

Academic Suspension Appeal Tool Approver Update Deadline

The Records team is requesting that all departments review their approver list and provide any updates by **November 25, 2025** by 12:00pm (noon). If you have any updates, please send them to suspensionappeals@charlotte.edu.

It is important that we receive any updates by this deadline, so that all appeals are linked with the appropriate approver. Our team will be limited to making changes while the appeal tool is open, to alleviate any missing appeals.

Below is the link to the current suspension appeal department contact list for your review. **Please refer to [this FAQ](#) if you have any questions or concerns regarding the academic suspension appeal process and tool.**

Academic Suspension Appeal Reconsideration - Academic Advising Question (New)

New feature alert! To encourage students to be thoughtful about the decision they make regarding their one-time reconsideration appeal, we've added a non-mandatory question that we hope will prompt students to connect with their academic advisor prior to making a decision. The response will be recorded on the reconsideration appeal form, for department approvers to see. By answering "no," it will not stop the student from proceeding; however, if they choose "no," they can close out and it will not count towards their one-time reconsideration appeal. Again, our hope is to simply recommend the meeting, but it is not mandatory.

APPLY FOR RECONSIDERATION

Heads up! Before you continue, we strongly recommend meeting with your academic advisor to ensure you're making the best decision.

* Have you connected with your academic advisor before making a decision? (If not, please close out and return to the dashboard.)

* Reason:

* Major:
